Regular updates for all aspects of the event will be posted on the website and via the Boneo Park Facebook Page.

**Withdrawals/Scratchings:** We suggest that all riders look at the rules for National Dressage Competitions. Pay attention to WITHDRAWALS and penalty for non-compliance. Fines will apply. 'No competitor shall withdraw from a competition within 8 hours of its commencement without the permission of the organising committee.'

We ask that all scratchings are notified by 4pm the day prior to the competition to ensure accurate draws can be done. Please notify withdrawals prior to the event via email, [events@boneopark.com.au](mailto:events@boneopark.com.au) or at the event office.

In the event of scratchings a revised draw will take place and a move up system will apply. **The final draw for the next day's competition will be posted online and available from the event office no later than 8pm the night before.**

#### **Welfare of the horse- FEI CODE OF CONDUCT**

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery, tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
  - a) The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.
