### **Eligible Events:**

Boneo Park May Monthly Jumping, 2-3 May 2026

### **Series 1. The OTT Rising Star Jumping Series (Jump height starting 70cm, maximum height 75cm)**

The Rising Star Jumping Series classes are open to Australian Stud Book registered thoroughbreds that last raced or competed in an official trial within two years of the first Event date (i.e. must have still been active (not have retired) as at 13 March 2024). Jump height to be a maximum of 75cm for the final Event in May.

One class will be held on each day of each event (a total of six classes across the series of three events).

Horses will receive points for their placing in each class. Points will be received for placegetters 1st - 6th (6 points for 1st, 5 points for 2nd and so on). The total of the top four (4) scores for each horse and rider combination at the end of the three events will determine the winner and placings. In the case of equal placings, the combination with the least number of faults, and then the quickest cumulative time (if there remains an equal placing after assessment of faults) would be announced the winner.

**Class prizemoney: \$250 (1st \$125, 2nd \$75, 3rd \$50) for each of the six classes.**

**Ribbons to 6th place in each class. Please note that combinations are also eligible for the ribbons and prizes for the open class too.**

**Overall series prizemoney: 1st - \$1,000 and rug, 2nd - \$700, 3rd - \$300.**
